

Cheercats Tryout Information

Dear Cheercats candidate and parent,

Thank you for your interest in Cheercats squads! We are preparing for 2011-2012 season and anticipating a very exciting year. We look forward to meeting each of you during our tryouts. We want you to know that we are dedicated to giving each cheerleader the ultimate cheerleading experience. We want to help each student set and reach goals, learn the value of commitment and team work and ultimately see their dream become a reality.

We have prepared the following information to help each family understand the commitment level that we expect. Please take the time to thoroughly read over the packet in full. We want you to know what you are "signing up for". Please take the time to discuss the following information with your child prior to tryouts. The coaching staff's mission is to offer the best technical training possible. Gymcats teaches kids to be exceptional cheerleaders, but most of all, Gymcats teaches kids to be exceptional people. Focusing on teamwork and integrity and structured safe workouts, Gymcats team members learn how to encourage athletes while building their self confidence.

Good luck to each of you and we will see you at tryouts!

What to expect at our Tryouts

Candidates will have an opportunity to show us their best tumbling pass, standing tumbling skills, jumps and jump combinations. They will also perform the chant they learned, show their splits and the kick series they learned during the clinics. The dance is performed to show us their ability to move to music, sharpness in motion technique, timing and showmanship.

Each candidate should wear black shorts, white t-shirt, tank top, and tennis shoes. No jewelry and hair must be pulled back from face and if long enough put up in a pony tail. Smiles are a Must!

Tryouts – May 14th—they will be closed to public viewing.

Competitive All Star team agreement

2011-2012

Welcome to Cheercats Competitive Team Program

This agreement must be returned by June 1st, 2011

Introduction/General Information

There is no doubt that joining our team is a significant commitment of time, effort and money. Is it worth it? Most parents say that other than family life, team involvement becomes the most significant event in their child's life. Besides the obvious physical benefits, those children who become involved in team rarely accept negative influences into their life. They learn self-discipline, how to work closely as a member of a team, how to handle themselves in a large variety of situations and how to prioritize and manage their time. It also involves a huge commitment on you and your family's part.

What am I signing up for? Please ask yourself if you are willing to put in the extra time it takes to be a member of a competitive cheerleading team. On top of our regular scheduled practices we may have additional Saturday practices prior to a competition that could conflict with social activities such as holiday parties, dates, religious/youth group activities and dances. Are you willing to miss those activities? Our staff has family and outside lives also and want time out of the gym, however if an extra practice is scheduled then it is for the benefit of the entire team. Please do not waste your coach's/ teammate's time by not attending regular / extra practices. *I understand that 100% attendance is required to all regular & extra practices*, and if I am unable to attend I must give at least 3 days notice to the head coach. ____ *Initial*

In deciding to let your child participate in competitive cheerleading you must read and initial the following items.

- **All stars only:** Cheer team is a seasonal commitment. This agreement starts June 1st and ends April 30th. If your child decides to leave Gymcats during the season - there will be no refund for any credit left in your account. Pro-rations are not given for missed practices, vacations, illness, camps, family emergencies or injuries. Your tuition is paid monthly and there are 4 weeks during the year that are not paid for. Because you receive 4 weeks in addition to the 44 weeks you pay for there will be days we cancel practice for holidays or after competitions. There is no refund or credit given for these missed practices. Super/Rocket/Mini – go 12 months.

I understand these facts of tuition ____ *Initial*

- Each child's account must be paid in full in order to participate in gym, competitions, or other events - this includes any fees for siblings, competitions, regular gym tuition or any other balance owed. If you are unable to attend competitions because of unpaid account balances, you may be removed from the team. *Initial*_____

- Each parent and child has read the Cheercats rules and regulations and will adhere to the rules outlined in that manual.

I understand that if any member of my family does not adhere to the rules outlined in that manual that my child may be removed from the team without a refund of fees *Initial*_____

All members of my family understand the financial burden associated with competitive cheerleading, have read the examples listed below and understand and can afford the costs associated with my child's cheerleading *Initial*_____ *I have read the fee information and realize these are yearly estimates only!* Some of these costs you are already paying and some are for travel, it is just to give you an idea of yearly costs associated with cheer.

We expect all of the cheerleaders on team to participate in all scheduled competitions. We would like to have all competitive cheerleaders on our auto-pay program, so that when competition fees are due and travel fees due, we can charge them automatically. This helps us to arrange the least expensive transportation costs and makes sure our entire squad will be at every competition on time and ready. **You will receive discounts on monthly tuition and coaches fees for being on auto-pay.**

****If you would like to have automatic payments made on meet entry fees please check here ____ and give this information to the front desk.**

Because attending competitions is so important, we will have a 100% attendance policy to all competitions. If a schedule conflicts with another activity then you will not be allowed to remain on the team (head coach's discretion). Our team success depends on all members showing up to practice and attending all competitions. If you do have an issue with a particular competition that you cannot get resolved, please come to the head coach only and discuss the options available to you and the team.

I understand the policy regarding competition and practice attendance and will adhere to them to the best of my ability
